Willdan Selected To Be a NYPA Statewide Energy Services Provider

November 5, 2026

ANAHEIM, Calif.--(BUSINESS WIRE)--Nov. 5, 2026-- Willdan Group, Inc. (NASDAQ: WLDN) announced today that it has been selected by the New York Power Authority (NYPA) as one of the 26 service providers for the Energy Services Program. The providers will service the program under ten-year value contracts, with projects assigned to qualified providers as needed. Willdan's services may include energy audits, retro-commissioning, design-bid-build, design-build, and other energy-related services for NYPA customers. Potential customers span education, healthcare, government, housing, transportation, and other public and commercial facilities.

"Willdan is honored to be selected and to have supported energy-saving projects through NYPA for nearly two decades," said Mike Bieber, Willdan's CEO. "NYPA has become one of Willdan's largest customers. This program is expected to leverage our technical services and energy infrastructure capabilities to support New York State's clean energy transition."

About NYPA

The New York Power Authority is the largest state public power organization in the nation, operating 17 generating facilities and more than 1,550 circuit-miles of transmission lines. More than 80 percent of the electricity NYPA produces is clean renewable hydropower. NYPA finances its operations through the sale of bonds and revenues earned in large part through sales of electricity.
