**PROXY STATEMENT
FOR 2009 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 5, 2009**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Willdan Group, Inc., a Delaware corporation (the "Company"), for use at its 2009 Annual Meeting of Stockholders to be held on Friday, June 5, 2009 at 10:00 a.m. Pacific Daylight Time at The Crowne Plaza Anaheim Resort, 12021 Harbor Blvd., Garden Grove, California 92840, and at any adjournment or postponement thereof (the "Annual Meeting"). This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and Proxy are first being sent to stockholders on or about May 4, 2009. The Company's 2008 Annual Report, including financial statements for the fiscal year ended January 2, 2009, is being mailed to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation material.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will consider and vote on the following matters:

- (1) the election of nine directors; and
- (2) the ratification of the appointment of the Company's independent registered public accounting firm.

In addition, our stockholders will transact any other business that properly comes before the meeting. Management of the Company will also respond to any questions from our stockholders.

Who can attend the Annual Meeting?

All stockholders of the Company as of the Record Date, or their duly appointed proxy holders, may attend the Annual Meeting.

Who is entitled to vote?

Only holders of record of the Company's common stock, \$0.01 par value per share (the "Common Stock"), at the close of business on the record date, April 13, 2009 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting. Holders of Common Stock are entitled to cast one vote for each share held by them on each matter to be voted upon. The Common Stock is the only class of securities of the Company authorized to vote. Under the Company's Certificate of Incorporation and applicable law, a stockholder is not entitled to cumulative voting rights in the election of directors.

What constitutes a quorum?

The presence, in person or by proxy, of holders entitled to cast at least a majority of all the votes entitled to be cast is necessary to constitute a quorum for the transaction of business at the Annual Meeting. As of the Record Date, 7,188,251 shares of Common Stock were outstanding and entitled to vote. Abstentions and broker "non-votes" will count toward the presence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner returns an executed proxy, but strikes out a particular proposal because the nominee does not have discretionary voting power with respect to that matter and has not received voting instructions from the beneficial owner.

How do I vote?

If you are a registered stockholder as of the close of business on the Record Date, you may vote in person at the Annual Meeting or by proxy without attending the meeting. Stockholders whose shares are registered in their own names may vote (1) by returning a proxy card, (2) via the Internet, or (3) by telephone. Specific instructions to be followed by any registered stockholder interested in voting via the Internet or by telephone are set forth on the enclosed proxy card. The Internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow the stockholder to vote his or her shares and confirm that his or her voting instructions have been properly recorded. If you do not wish to vote via the Internet or telephone, please complete, date, sign, and return the proxy card you received with this proxy statement in the enclosed envelope. If you sign and return the proxy card but do not give any instructions, your shares will be voted by the persons named in the proxy card in accordance with the recommendations of the Board of Directors given below.

If your stock is held in the name of a broker, bank or other nominee, please mark, date, sign, and return the voting instruction form you received from your broker or nominee with this proxy statement.

If you are a registered stockholder and wish to vote in person at the meeting, be sure to bring a form of personal picture identification with you. If your stock is held by a broker, bank or other nominee (in "street name") and you wish to vote in person at the meeting, in addition to picture identification you should bring an account statement or a letter from the record holder indicating that you owned the shares as of the record date, and obtain from the record holder and bring with you a proxy from the record holder issued in your name.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by delivering a duly executed proxy bearing a later date or a written revocation to the Secretary of the Company at the address of the Company set forth above, or by attending the Annual Meeting and voting in person. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person, whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy.

What are the Board of Directors' recommendations?

Unless you give other instructions on your proxy, the persons named as proxy holders on the proxy will vote in accordance with the recommendations of the Company's Board of Directors. The Board's recommendations are set forth together with the description of each matter in this Proxy Statement. In summary, the Board unanimously recommends a vote: **FOR** election of each of the nine nominees for director and **FOR** ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending January 1, 2010.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in the discretion of the proxy holders.

What vote is required to approve each matter?

Assuming the presence of a quorum, the affirmative vote of a plurality of all of the votes cast on the matter at the Annual Meeting in person or by proxy will be required for the election of each director nominee and the affirmative vote of a majority of all of the votes cast on the matter at the Annual Meeting in person or by proxy will be required for the ratification of the appointment of KPMG LLP to serve as the Company's independent registered public accounting firm. Abstentions are

not counted as votes cast and will have no effect on the vote for the election of the directors or the ratification of the appointment of KPMG LLP.

Who tabulates the votes?

Stockholder votes will be tabulated by the persons appointed to act as inspectors of election for the Annual Meeting.

Could other matters be decided at the meeting?

It is not anticipated that any matter, other than those set forth in this Proxy Statement, will be presented at the Annual Meeting. If other matters are presented, proxies will be voted by the proxy holders in accordance with the recommendation of the Board of Directors or, if no recommendation is given, in the discretion of the proxy holders.

What happens if the Annual Meeting is postponed or adjourned?

Your proxy may be voted at the postponed or adjourned Annual Meeting. You will still be able to change your proxy until it is voted.

How can I receive a copy of the Annual Report?

The Annual Report, which includes the Company's Annual Report on Form 10-K for the year ended January 2, 2009, accompanies this proxy statement and may also be accessed through our website at www.willdan.com under "Investors—SEC Filings".

Where can I find the voting results of the Annual Meeting?

Our intention is to announce the preliminary voting results at the Annual Meeting and to publish the final results in our quarterly report on Form 10-Q for the second quarter of fiscal 2009, which we will file with the United States Securities and Exchange Commission (the "SEC") and make available on our website at www.willdan.com under "Investors—SEC Filings".

PROPOSAL 1:**ELECTION OF DIRECTORS**

The Bylaws provide that the Board of Directors consists of five directors until changed by the Board of Directors. On April 2, 2007, the Board of Directors increased the size of the Board to seven directors. On April 14, 2009, the Board of Directors agreed to increase the size of the Board to nine directors effective June 5, 2009. The directors are regularly elected at each annual meeting of the stockholders, and each director shall hold office until his/her successor has been elected and qualified or until his/her earlier resignation or removal.

The nine nominees, if elected at the Annual Meeting, will hold office until the next annual meeting of stockholders, or until an earlier stockholder meeting at which directors are elected, and until their respective successors are duly elected and qualified. The Board of Directors, based on the recommendations of the Nominating and Corporate Governance Committee, has nominated Win Westfall, Thomas D. Brisbin, Linda L. Heil, Raymond W. Holdsworth, W. Tracy Lenocker, Douglas J. McEachern, Keith W. Renken, Wayne Shelton and John M. Toups to serve as directors of the Company (collectively, the "Nominees").

Mr. Holdsworth and Mr. McEachern are not currently serving as directors. Mr. Holdsworth and Mr. McEachern were each identified and recommended to our Nominating and Corporate Governance Committee as a candidate for our Board of Directors by a third party search firm. Mr. Holdsworth was also recommended by our chief executive officer, Dr. Brisbin, and Mr. McEachern was also recommended by a non-management director. Consideration of new Board nominee candidates involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates.

Each Nominee has consented to be nominated and to serve if elected. However, if any Nominee is unavailable for election or unable to serve, the proxy holders may vote for another person nominated by the Board of Directors or the Board may amend the Bylaws to reduce the number of directors to be elected at the Annual Meeting.

Information Regarding Nominees and Directors

The following table sets forth certain information with respect to the Nominees. Messrs. Westfall, Brisbin, Lenocker, Renken, Shelton and Toups and Mrs. Heil are each currently serving as directors and, unless otherwise specified, each has served continuously since he or she was previously elected, based on information furnished to the Company by each such director. The Board of Directors

Corporate Governance

The Company is managed under the direction of a Board of Directors currently composed of seven members, four of whom the Board has determined are independent under the rules of the Nasdaq Global Market. Effective June 5, 2009, the size of the Board will be increased to nine members. If all of the nominees named in this proxy statement are elected, six of the nine directors will be independent under the rules of the Nasdaq Global Market.

Board members are expected to attend each Board meeting and each meeting of any committee on which such Board member serves and they are encouraged to attend the Annual Meeting of Stockholders. The Board of Directors met eight times in 2008. Each incumbent director attended at least 75% of the total number of meetings of the Board of Directors and of each committee on which he or she served during 2008. Each incumbent director attended the 2008 Annual Meeting. Stockholders or other interested parties may communicate with members of the Board of Directors individually or with the Board of Directors as a whole by sending a letter to the appropriate director or the Board of Directors in care of the Secretary of the Company at the address shown below under "— Communications with the Board of Directors."

Executive Sessions

Non-management directors meet regularly in executive sessions without management. "Non-management" directors are all those who are not Company officers or employees and include directors, if any, who are not independent by virtue of the existence of a material relationship with the Company, former status or family relationship or for any other reason. Executive sessions are led by a "Lead Director." An executive session is held in conjunction with each regularly scheduled quarterly Board meeting and other sessions may be called by the Lead Director in his own discretion or at the request of the Board. Keith W. Renken has been designated as the Lead Director.

Director Independence

The Company has established standards of independence for the Board of Directors that comply with the listing standards for the Nasdaq Global Market (the "Nasdaq Rules") and the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Under these standards of independence, for a director to be considered independent, the director must, among other things, not be an officer or

employee of the Company or its subsidiaries and the director must not have a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

The Board of Directors has determined that Messrs. Lenocker, Renken, Shelton and Toups are "independent" directors under the standards set forth in the Nasdaq Rules and that Messrs. Holdsworth and McEachern will be "independent" directors under such standards if elected. The Board of Directors has deemed Mr. Lenocker to be an independent director under the Nasdaq Rules notwithstanding the fact that he served briefly as the Company's interim President and Chief Executive Officer from February 2007 to April 2007. The Board of Directors determined that Mr. Lenocker's former status as interim President and Chief Executive Officer is not material to the determination of independence and also relied on Nasdaq Interpretive Material in determining that Mr. Lenocker could be deemed an independent director after serving in this interim capacity. However, Mr. Lenocker does not currently meet the standards set forth under the Exchange Act for membership on the Audit Committee.

Committees

We have four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Investment, Finance and Strategy Committee. The charters for each of these committees are available on our website at www.willdan.com under "Investors—Corporate Governance—Governance Documents" or are available in print to any stockholder who requests a copy from the Company's Secretary at 2401 East Katella Avenue, Suite 300, Anaheim, California 92806. Each of these committees is composed only of independent directors and regularly reports to the Board of Directors as a whole.

Audit Committee. The Board's Audit Committee consists of Messrs. Renken, Toups and Shelton, each of whom the Board has determined is an independent director and meets the independence requirements for Audit Committee members under the Nasdaq Rules and the Exchange Act. Mr. Renken is the chairman of the Committee and has been designated by the Board as the Audit Committee financial expert. Each of the other members of the Audit Committee is financially literate. The Audit Committee met five times during fiscal 2008.

Under the terms of the Audit Committee Charter, the purpose of this Committee is to assist the Board in overseeing the integrity of the Company's financial statements and financial reporting, the Company's compliance with legal and regulatory requirements, the qualifications and independence of the Company's independent registered public accounting firm, the performance of the Company's internal reporting and audit functions, and the Company's disclosure controls and procedures and system of internal controls regarding finance, accounting, legal compliance and ethics. The Audit Committee confers formally with the Company's independent registered public accounting firm, as well as with members of management to inquire as to the manner in which the respective responsibilities of these groups and individuals are being discharged. The Audit Committee engages our independent registered public accounting firm and reviews and approves the scope of the audit conducted by the independent registered public accounting firm.

Compensation Committee. The Board's Compensation Committee consists of Messrs. Renken, Shelton and Toups, each of whom the Board has determined is an independent director under the Nasdaq Rules, with Mr. Shelton serving as the Committee's chairman. The Compensation Committee is responsible for establishing and governing the compensation and benefit practices of the Company. The Compensation Committee Charter requires that the Compensation Committee consist of two or more members of the Board, each of whom satisfies the independence requirements under Nasdaq Rules and the Exchange Act. At all times during fiscal 2008 the Compensation Committee consisted of at least

two members of the Board, each of whom the Board has affirmatively determined satisfies these independence requirements. The Compensation Committee met five times during fiscal 2008.

The Compensation Committee assists the Board of Directors in determining the compensation of the Company's executive officers and senior management and recommends to the Board annual and long-term compensation for the Company's executive officers and senior management. In addition to its annual review of the compensation of the Company's officers, the Compensation Committee administers the Company's 2008 Performance Incentive Plan, 2006 Stock Incentive Plan and Employee Stock Purchase Plan. The Committee has the authority to designate officers, directors or key employees eligible to participate in the plans, to prescribe the terms of any award of stock options, to interpret the plans, and to make all other determinations for administering the plans. Our Chief Executive Officer recommends to the Compensation Committee salary, annual bonus and long-term compensation levels for less senior officers, including the other Named Officers (as defined below). Our other executive officers, including the other Named Officers, do not currently have any role in determining or recommending the form or amount of compensation paid to our Named Officers and our other senior executive officers.

The Compensation Committee is authorized to retain and terminate any compensation consultant engaged to assist in the evaluation of the compensation of our senior executive officers (including all of the Named Officers). The Compensation Committee has not retained the services of a compensation consulting firm.

Nominating and Corporate Governance Committee. The Board's Nominating and Corporate Governance Committee consists of Messrs. Lenocker, Renken and Toups, each of whom the Board has determined is an independent director under the Nasdaq Rules, with Mr. Lenocker serving as the Committee's chairman. The Nominating and Corporate Governance Committee met eight times in fiscal 2008.

The Nominating and Corporate Governance Committee works with the Board of Directors to determine the appropriate characteristics, skills, and experience for the Board as a whole and its individual members. In evaluating the suitability of individual Board members, the Nominating and Corporate Governance Committee and the Board take into account many factors, including general understanding of marketing, finance, and other disciplines relevant to the success of a publicly traded company; understanding of our business; education and professional background, including current employment and other board memberships; and reputation for integrity. These factors, and others considered useful by the Nominating and Corporate Governance Committee, will be reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. After assessing the perceived needs of the Board, the Nominating and Corporate Governance Committee identifies specific individuals and looks to well respected companies as a potential source of director candidates with relevant experience. The priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends and the portfolio of skills and experience of current and prospective Board members. The Nominating and Corporate Governance Committee establishes procedures for the nomination process and recommends candidates for election to the Board.

Investment, Finance and Strategy Committee. The Board's Investment, Finance and Strategy, or IFS, Committee consists of Messrs. Lenocker, Renken, Shelton and Toups, with Mr. Toups serving as the Committee's chairperson. The IFS Committee assists the Board by reviewing and making recommendations to the Board or taking actions on behalf of the Board relating to the Company's financial and strategic plans. The IFS Committee Charter requires that the IFS Committee consist of three or more members of the Board, each of whom the Board has determined satisfies the independence requirements under the Nasdaq Rules and the Exchange Act. The IFS Committee was formed in February 2008 and met three times during fiscal 2008.

The responsibilities of the IFS Committee include reviewing with management, on a timely basis, significant financial matters of the Company and its subsidiaries, including matters relating to the Company's capitalization, dividend policy and practices, banking relationships, credit ratings, cash flows, borrowing activities, investment strategies, and potential acquisitions. The Committee also reviews and may recommend to the Board actions relating to: offerings of the Company's debt or equity securities; purchases or disposals of treasury shares, except the purchase of shares pursuant to approved employee benefit plans; stock splits or reclassification of shares; the declaration and payment of any dividends on the Company's common stock; guarantees of unconsolidated third party indebtedness; and certain other financial transactions and strategies.

Director Nominations by Stockholders

The Board of Directors will consider director candidates recommended by stockholders for inclusion on the slate of directors nominated by the Board of Directors. Stockholders wishing to recommend a candidate must submit the recommendation to the Nominating and Corporate Governance Committee, c/o the Secretary, Willdan Group, Inc., 2401 East Katella Avenue, Suite 300, Anaheim, California 92806. If a nominating stockholder is not a record holder, the stockholder must provide the same evidence of eligibility as set forth in Exchange Act Rule 14a-8(b)(2).

At the time the nominating stockholder submits the recommendation, the candidate must submit all information about the candidate that the Company would be required to disclose in a proxy statement in accordance with Exchange Act rules. In addition, at that time the candidate must:

- Certify that he or she meets the requirements to be: (a) independent under the independence requirements of the Nasdaq Rules, (b) a non-management director under Rule 16b-3 of the Exchange Act, and (c) an outside director under Section 162(m) of the U.S. Internal Revenue Code (the "Code");
- Consent to serve on the board of directors, if nominated and elected; and
- Agree to complete, upon request, a customary directors' and officers' questionnaire.

The Nominating and Corporate Governance Committee will evaluate any stockholder-recommended candidate to determine whether he or she is highly qualified. Particular consideration will be given to those individuals who have substantial achievement in their personal and professional pursuits and whose talents, experience and integrity would be expected to contribute to the best interests of the Company and to long-term stockholder value. Without limitation, the Committee recommends individuals who have a general management focus, have specialization in the Company's principal business activities or finance, have significant experience in issues encountered by public companies and who could contribute to the diversity of the board. The Nominating and Corporate Governance Committee evaluates stockholder-recommended candidates in the same way it evaluates candidates proposed from other sources.

<u>Type of Fee</u>	<u>Dollar Amount</u>
Annual Board Retainer	\$ 30,000
Additional Annual Retainer to Chairman of the Board	\$ 10,000
Additional Annual Retainer to Chair of Audit Committee	\$ 5,000

Additional Annual Retainer to Chair of Investment, Finance and Strategy Committee	\$ 5,000
Additional Daily Fee for Personal Attendance at Board, Stockholder or Committee Meetings	\$ 2,500
Additional Daily Fee for Telephonic Attendance at Board, Stockholder or Committee Meetings	\$ 1,500

All Non-Employee Directors are also reimbursed for out-of-pocket expenses they incur serving as directors.

Stock Option Awards

In June 2008, each Non-Employee Director (except Ms. Smith) was granted an award of 2,000 stock options under the Company's 2008 Performance Incentive Plan. The stock option awards were granted with a per-share exercise price equal to the fair market value of a share of the Company's Common Stock on the grant date. For these purposes, and in accordance with the terms of the 2008 Performance Incentive Plan and the Company's equity award grant practices, the fair market value is equal to the closing price of a share of the Company's Common Stock on the Nasdaq Global Market on the grant date.

Each stock option granted to our Non-Employee Directors in fiscal 2008 will be fully vested as of June 10, 2010. Stock options granted to our Non-Employee Directors in fiscal 2008 are subject to a two (2) year vesting schedule, with 50% of the option vesting on each of the first and second anniversaries of the grant date. Once vested, each stock option will generally remain exercisable until its normal expiration date. The stock options granted to our Non-Employee Directors in fiscal 2008 have a term of ten (10) years. Outstanding stock options, however, may terminate earlier in connection with a change in control transaction or a termination of the Non-Employee Director's services as a director. Subject to any accelerated vesting that may apply in particular circumstances, the unvested portion of the stock option will immediately terminate upon a termination of the Non-Employee Director's services as a director. The Non-Employee Director will generally have three (3) months to exercise the vested portion of the stock option following a termination of service. This period is extended to twelve (12) months if the termination is on account of the Non-Employee Director's death or permanent disability. The options granted to Non-Employee Directors in fiscal 2008 do not include any dividend or dividend equivalent rights.

The Compensation Committee of the Board of Directors administers Non-Employee Director stock option awards granted under the 2008 Performance Incentive Plan and has the ability to interpret and make all required determinations under the plan, subject to plan limits. This authority includes making required proportionate adjustments to outstanding awards to reflect any impact resulting from various corporate events such as reorganizations, mergers and stock splits. Pursuant to the terms of the 2008 Performance Incentive Plan, stock options granted to our Non-Employee Directors will generally vest on an accelerated basis in connection with a change in control of the Company to the extent such awards are not substituted or assumed by a successor in connection with the transaction.

Vote Required for Election of Each Director

Election of each director requires the affirmative vote of a plurality of all of the votes cast on the matter at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES. PROXIES RECEIVED WILL BE VOTED "FOR" EACH OF THE NOMINEES UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.

PROPOSAL 2:**RATIFICATION OF THE APPOINTMENT OF KPMG LLP
AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed KPMG LLP as the Company's independent registered public accounting firm to audit its financial statements for the year ending January 1, 2010.

Although ratification by stockholders is not required by law, the Board has determined that it is desirable to request approval of this appointment by the stockholders. If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain KPMG LLP, and may decide to retain them notwithstanding the vote. Even if the appointment is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. In addition, if KPMG LLP should decline to act or otherwise become incapable of acting, or if the employment should be discontinued, the Audit Committee will appoint a substitute independent public registered public accounting firm. A representative of KPMG LLP will be present at the Annual Meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Audit Committee Pre-Approval Policy

Consistent with SEC policies regarding independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm, including audit services, audit-related services, tax services, and other services. In some cases, the full Audit Committee provides pre-approval for up to a year, related to a particular defined task or scope of work and subject to a specific budget. During the year, circumstances may arise when it becomes necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next regularly scheduled meeting.

Compensation of Named Officers

The Summary Compensation Table above quantifies the value of the different forms of compensation earned by or awarded to our Named Officers in fiscal 2007 and 2008. The primary elements of each Named Officer's total compensation reported in the table are base salary and, for

certain Named Officers, an annual bonus and a long-term equity incentive award consisting of stock options. Named Officers also earned or were paid the other benefits listed in the "All Other Compensation" column of the Summary Compensation Table, as further described in footnote (3) to the table.

The Summary Compensation Table should be read in conjunction with the tables and narrative descriptions that follow. A description of the material terms of each Named Officer's base salary and annual bonus is provided immediately following this paragraph. The "Grants of Plan-Based Awards in Fiscal 2008" table, and the description of the material terms of the stock options granted in fiscal 2008 that follows it, provides information regarding the long-term equity incentives awarded to certain Named Officers in fiscal 2008. The "Outstanding Equity Awards at Fiscal 2008 Year-End" table and "Option Exercises and Stock Vested in Fiscal 2008" narrative provide further information on the Named Officers' potential realizable value and actual value realized with respect to their equity awards. The discussion of the potential payments due upon a termination of employment or change in control that follows is intended to further explain the potential future payments that are, or may become, payable to our Named Officers under certain circumstances.

Description of Employment Agreements, Salary and Bonus Amounts

We have entered into employment agreements with Dr. Brisbin, our President and Chief Executive Officer, Ms. Gant, our Senior Vice President and Chief Financial Officer and Mr. Chow, the President and Chief Executive Officer of our subsidiary, Willdan Engineering. We also had an employment agreement with Ms. McCamant, our former Senior Vice President and Chief Operations Officer. These employment agreements, including the salary and bonus terms of such agreements, are described below.

On April 2, 2007, we entered into an employment agreement with Dr. Brisbin. This agreement provides for an employment term of three years, with the agreement automatically renewing for successive one-year terms unless either party gives written notice not less than 60 days prior to expiration. Under the agreement, Dr. Brisbin received an annual base salary of \$250,000 for his first year of employment and the board of directors shall review Dr. Brisbin's base salary at least annually thereafter and may increase, but not decrease, the salary then in effect based on such review. Dr. Brisbin is also eligible to receive an annual discretionary bonus in an amount determined by the Board based on the achievement of performance targets established by the Board. The agreement also provides that Dr. Brisbin is eligible for all standard company pension and welfare benefit programs in accordance with those generally afforded our employees and an automobile allowance of \$900 per month. If Dr. Brisbin's employment is terminated by us without cause or by Dr. Brisbin for good reason (as those terms are defined in the agreement), Dr. Brisbin will receive severance compensation in an amount equal to his then-current annual base salary through the end of the term of his employment agreement plus health benefits for such period. However, if Dr. Brisbin breaches his non-competition or non-solicitation obligations under his employment agreement at any time, he will no longer be entitled to receive any unpaid severance benefits.

On July 23, 2007, we entered into an employment agreement with Ms. Gant. This agreement provides for an employment term through December 31, 2008, with the agreement automatically extending on a monthly basis until terminated by us or Ms. Gant. Under the agreement, Ms. Gant received an annual base salary of \$200,000 through December 31, 2008 and our board of directors now must review Ms. Gant's base salary at least annually and may increase, but not decrease, the salary then in effect based on such review. Ms. Gant is also eligible to receive an annual discretionary bonus of up to 50% of her base salary as determined by the Board for each twelve-month period based on performance targets established by the Board. The agreement also provides that Ms. Gant is eligible for all standard company pension and welfare benefit programs in accordance with those generally afforded our employees and an automobile allowance of \$940 per month. If Ms. Gant's employment is terminated by us without cause or by Ms. Gant for good reason (as those terms are defined in the

agreement), Ms. Gant will receive severance compensation in an amount equal to her then-current annual base salary, plus health benefits, for six months from the date that her employment agreement is terminated. However, if Ms. Gant breaches her non-competition or non-solicitation obligations under her employment agreement at any time, she will no longer be entitled to receive any unpaid severance benefits.

Mr. Chow began working for our subsidiary, Willdan Engineering, on December 15, 2008 pursuant to the terms of an offer letter accepted by Mr. Chow on November 9, 2008. The offer letter provides that Mr. Chow will receive an annual base salary of \$205,000 and a monthly car allowance of \$500. Mr. Chow is also entitled to participate in our 2008 Performance Incentive Plan. The offer letter has a term of two years following Mr. Chow's first date of employment. Thereafter, Mr. Chow's employment shall continue on an at-will basis, subject to the terms of his initial offer. If Mr. Chow's employment is terminated without cause, he will receive severance compensation in an amount equal to his then-current annual base salary for the remainder of his initial employment period or for a period of three months, whichever is greater.

On July 23, 2007, we entered into a new employment agreement with Ms. McCamant. This agreement superseded in its entirety the prior employment agreement between us and Ms. McCamant and provided for an initial employment term through December 31, 2008, with the agreement automatically extending on an at-will basis until terminated by us or Ms. McCamant. The agreement provided that Ms. McCamant would receive an annual base salary of \$205,000 through December 31, 2008 and was eligible to receive a discretionary performance bonus. This agreement was terminated when Ms. McCamant resigned on July 23, 2007.

Grants of Plan-Based Awards in Fiscal 2008

The following table presents information regarding the equity incentive awards granted to Named Officers during fiscal 2008 under the Company's 2008 Performance Incentive Plan (the "2008 Plan") and 2006 Stock Incentive Plan (the "2006 Plan"). The material terms of each grant are described below under "Description of Plan-Based Awards."

Name	Grant Date	All Option Awards: Number of Securities Underlying Options (#)	Exercise or Base Price of Option Awards (\$/Sh)	Grant Date Fair Value of Option Awards (\$)
Thomas D. Brisbin	3/10/08	15,000(1)	5.60	28,938
Daniel Chow	12/15/08	25,000(2)	1.50	14,733

(1) The options vested immediately on the grant date.

(2) The options vest in substantially equal annual installments over the three year period following the grant date.

Description of Plan-Based Awards

During fiscal 2008, Dr. Brisbin was awarded stock options under the 2006 Plan and Mr. Chow was awarded stock options under the 2008 Plan. The options granted to Dr. Brisbin on March 10, 2008 vested immediately and the options granted to Mr. Chow on December 15, 2008 will vest equally over three (3) years from the grant date. The options granted to Dr. Brisbin and Mr. Chow were granted with a per-share exercise price equal to the closing market price of the Company's common stock on the Nasdaq Global Market on the grant date and have a term of ten (10) years. Outstanding options, however, may terminate earlier than their stated expiration date in connection with a change in control transaction or a termination of the recipient's employment. The recipient will generally have three (3) months to exercise the stock option following a termination of employment. This period is extended

to twelve (12) months if the recipient dies or terminates his or her employment because of a disability incurred while employed by the Company. However, if a recipient's employment is terminated by the Company for cause, outstanding stock options (whether vested or unvested) will immediately terminate. The stock options granted to Dr. Brisbin and Mr. Chow during fiscal 2008 do not include any dividend or dividend equivalent rights.

As indicated above, the stock options granted were granted under, and are subject to the terms of, the Company's 2006 Plan or 2008 Plan. Both plans are administered by the Compensation Committee. The Compensation Committee has authority to interpret the plan provisions and make all required determinations under the plans. This authority includes making required proportionate adjustments to outstanding awards upon the occurrence of certain corporate events such as reorganizations, mergers and stock splits, and making provisions to ensure that any tax withholding obligations incurred in respect of awards are satisfied. Awards granted under the plans are generally only transferable to a beneficiary of an award recipient upon his or her death. However, the Compensation Committee may establish procedures for the transfer of awards to other persons or entities, provided that such transfers comply with applicable securities laws and, with limited exceptions set forth in the plan documents, are not made for value.

Under the terms of the 2006 Plan and 2008 Plan, if there is a change in control of the Company, each recipient's outstanding equity-based awards granted under the plan will generally become fully vested and exercisable to the extent such outstanding awards are not substituted or assumed in connection with the transaction. Any options that become vested in connection with a change in control generally must be exercised prior to the change in control, or they will be canceled in exchange for the right to receive a cash payment in connection with the change in control transaction.

Outstanding Equity Awards at Fiscal 2008 Year-End

The following table presents information regarding the outstanding option awards held by each Named Officer as of January 2, 2009. No Named Officer held any outstanding stock awards as of January 2, 2009.

Name	Number of Securities Underlying Unexercised Options Exercisable (#)(1)	Number of Securities Underlying Unexercised Options Unexercisable (#)(2)	Equity Incentive Plan Awards:	Option Exercise Price (\$)	Option Expiration Date
			Number of Securities Underlying Unexercised Options (#)		
Thomas D. Brisbin	66,666	33,334	—	9.30	4/2/17
	15,000	—	—	5.60	3/10/18
Kimberly D. Gant	8,333	16,667	—	9.90	7/23/17
Daniel Chow	—	25,000	—	1.50	12/15/18
Mallory McCamant(3)	—	—	—	—	—

(1) 100,000 options were granted to Dr. Brisbin on April 2, 2007 and 25,000 options were granted to Ms. Gant on July 23, 2007. These options each vest equally over three years from their respective grant date. Therefore, Dr. Brisbin had 33,333 options vest on each of April 2, 2008 and April 2, 2009, and Ms. Gant had 8,333 options vest on July 23, 2008. The 15,000 options granted to Dr. Brisbin on March 10, 2008 vested immediately on its grant date.

(2) Dr. Brisbin's remaining 33,334 options from his April 2, 2007 grant will vest on April 2, 2010. Ms. Gant will have 8,333 options vest on July 23, 2009 and 8,334 options vest on July 23, 2010.

The 25,000 options granted to Mr. Chow on December 15, 2008 will vest equally over three years from the grant date.

- (3) Ms. McCamant resigned on May 10, 2008 and had no outstanding option awards as of January 2, 2009.

Option Exercises and Stock Vested in Fiscal 2008

Our Named Officers did not exercise any stock options during fiscal 2008. No stock awards have ever been granted to our Named Officers.

Retirement Benefits

At the Board of Directors' discretion, the Company provides retirement benefits to the Named Officers under the terms of its tax-qualified 401(k) plan. In fiscal 2008, the Company made a matching contribution on behalf of each qualified participant equal to 25% of the first \$4,000 of compensation contributed to the plan by the participant. These Company contributions function as a retention incentive as they vest ratably over the first four (4) years of service (as determined under the plan) with the Company. The Named Officers participate in the plan on substantially the same terms as our other participating employees. The Company does not maintain any deferred compensation, defined benefit or supplemental retirement plans for its Named Officers.

Potential Payments Upon Termination or Change in Control

We do not provide special change in control benefits to our Named Officers and none of our employment agreements contain such a provision. Our only change in control arrangement applies to all of our employees who hold outstanding options issued under our 2006 Plan or are eligible to participate in our 2008 Plan. Upon a change in control, all outstanding options will vest immediately and become fully exercisable to the extent such outstanding awards are not substituted or assumed in connection with the transaction. The employment agreements for Dr. Brisbin, Ms. Gant and Mr. Chow also provide for severance benefits upon termination by us without cause or by the Named Officer for good reason, each as described below.

Brisbin. If Dr. Brisbin's employment is terminated by us without cause or by Dr. Brisbin for good reason (as those terms are defined in the agreement), Dr. Brisbin will receive severance compensation in an amount equal to his then-current annual base salary through the end of the term of his employment agreement plus health benefits for such period. However, if Dr. Brisbin breaches his non-competition or non-solicitation obligations under his employment agreement at any time, he will no longer be entitled to receive any unpaid severance benefits.

Gant. If Ms. Gant's employment is terminated by us without cause or by Ms. Gant for good reason (as those terms are defined in the agreement) during Ms. Gant's employment period, Ms. Gant will receive severance compensation in an amount equal to her then-current annual base salary through the date that is six months from the date that her employment agreement is terminated, plus health benefits for such period. However, if Ms. Gant breaches her non-competition or non-solicitation obligations under her employment agreement at any time, she will no longer be entitled to receive any unpaid severance benefits.

Chow. If Mr. Chow's employment is terminated by us without cause, Mr. Chow will receive severance compensation in an amount equal to his then-current annual base salary through December 15, 2010 or for a period of three months, whichever is greater.

Related Person Transactions

The following provides a description of certain relationships and related transactions since the beginning of fiscal year 2007 between some of our directors and executive officers and us or our subsidiaries and affiliates.

Tax Agreements. In connection with our initial public offering in November 2006, we entered into a Tax Agreement Relating to S Corporation Distributions with each of our stockholders, including our Chairman of the Board, Mr. Westfall, and our directors, Mrs. Heil and Mr. Lenocker. Pursuant to these agreements, we agreed to indemnify, defend and hold harmless each stockholder on an after-tax basis against additional income taxes, plus interest and penalties resulting from adjustments made, as a result of a final determination made by a competent tax authority, to the taxable income we reported as an S Corporation. Such indemnification also includes any losses, costs or expenses, including reasonable attorneys' fees, arising out of a claim for such tax liability.

Lifetime Medical Benefits. On May 19, 2006, our board of directors approved the extension of lifetime medical benefits to our director, Mrs. Heil, and our Chairman of the Board, Mr. Westfall, and his spouse, Patricia Westfall. Mrs. Heil's eligible dependents are included through the maximum age allowable under our benefits plan. In fiscal 2008, we paid premiums for these medical benefits in the amounts of \$14,776 for Ms. Heil and her eligible dependents and \$14,177 for Mr. Westfall and his spouse.

Indemnification Agreement. In connection with our initial public offering in November 2006, we entered into an Indemnification Agreement with our director, Mrs. Heil, as trustee of The 1994 Dan W. Heil and Linda Lee Heil Revocable Trust, the selling stockholder in the initial public offering. Pursuant to this agreement, we agreed to indemnify the selling stockholder against certain liabilities, including liabilities under the Securities Act of 1933, and to contribute to payments that the selling stockholder may be required to make for certain liabilities.

Related Person Transaction Policy

In March 2007, the Board adopted a policy addressing the Company's procedures with respect to the review, approval and ratification of "related person transactions" that are required to be disclosed pursuant to Item 404(a) of Regulation S-K. The policy provides that any transaction, arrangement or relationship, or any series of similar transactions, in which the Company was, is or will be a participant, the amount involved exceeds \$120,000, and a "related person" (as defined in the policy) has or will have a direct or indirect material interest (each such transaction, a "Related Person Transaction") shall be subject to review and approval or ratification by the Audit Committee. In its review of Related Person Transactions, the Audit Committee shall review the material facts and circumstances of the transaction and shall take into account certain factors, where appropriate, based on the particular facts and circumstances, including (i) the nature of the "related person's" interest in the transaction, (ii) the approximate dollar value of the amount involved in the Related Person Transaction, (iii) whether the transaction was taken in the Company's ordinary course of business, (iv) whether the transaction with the "related person" is proposed to be, or was, entered into on terms no less favorable to the Company than terms that could have been reached with an unrelated third party and (v) the purpose of, and the potential benefits to the Company of, the Related Person Transaction.

No member of the Audit Committee may participate in the review, approval or ratification of a transaction with respect to which he or she is a "related person" provided that such member can be counted for purposes of a quorum and shall provide such information with respect to the transaction as may be reasonably requested by other members of the Committee or the Board.

EQUITY COMPENSATION PLAN INFORMATION

The Company currently maintains three equity compensation plans: (1) the 2006 Plan, (2) the 2008 Plan, and (3) the Amended and Restated Willdan Group, Inc. 2006 Employee Stock Purchase Plan (the "ESPP"). New awards are no longer being granted under the 2006 Plan.

The following table sets forth, for our equity compensation plans, the number of shares of common stock subject to outstanding options, the weighted-average exercise price of outstanding options, and the number of shares remaining available for future award grants under all of our plans as of January 2, 2009.

<u>Plan category</u>	<u>Number of shares of Common Stock to be issued upon exercise of outstanding options</u>	<u>Weighted-average exercise price of outstanding options</u>	<u>Number of shares of Common Stock remaining available for future issuance under equity compensation plans (excluding shares reflected in the first column)</u>

Equity compensation plans not approved by stockholders	—	—	—
Total	303,000	\$ 7.23	700,643(1)

- (1) Of the aggregate number of shares that remained available for future issuance at January 2, 2009, 416,667 were available under the 2008 Plan and 283,976 were available under the ESPP. REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors assists the Board in performing its oversight responsibilities for the Company's financial reporting process, audit process and internal controls as more fully described in the Audit Committee Charter. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity to U.S. generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee reviewed and discussed the Company's audited financial statements for the year ended January 2, 2009 with the Company's management and with the Company's independent registered public accounting firm. In addition, the Committee discussed with the Company's independent registered public accounting firm the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, which includes, among other items, matters related to the conduct of the audit of the Company's financial statements. The Audit Committee has also received the written disclosures and the letter from the Company's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committees concerning independence, and has discussed with the independent registered public accounting firm their independence from the Company.

Based on the review and discussions with management and the independent registered public accounting firm described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 2, 2009 for filing with the SEC.

OTHER INFORMATION

Solicitation of Proxies

The cost of solicitation of Proxies in the form enclosed herewith will be paid by the Company. Solicitation will be made primarily by mail, but regular employees of the Company, without additional remuneration, may solicit Proxies by telephone, e-mail, facsimile and personal interviews. In addition, Computershare Investor Services will assist in solicitation of proxies. The Company anticipates out-of-pocket costs associated with proxy solicitation. The Company will also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy materials to and obtain Proxies from such beneficial owners. The Company will reimburse such holders for their reasonable expenses.

Householding of Stockholder Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the Company's Proxy Statement or Annual Report may have been sent to multiple stockholders in the same household unless the Company has received contrary instructions from one or more of the stockholders. The Company will promptly deliver a separate copy of either document to any stockholder upon request by writing to the Company at the following address: Willdan Group, Inc., 2401 East Katella Avenue, Suite 300, Anaheim, California 92806, Attn: Secretary or upon oral request directed to the Company's Secretary at (800) 424-9144. Any stockholder who wants to receive separate copies of the annual report and proxy statement in the future, or who is currently receiving multiple copies and would like to receive only one copy for his or her household, should contact the stockholder's bank, broker, or other nominee record holder, or contact the Company by writing to the above address or by oral request at the above telephone number.

Stockholder Proposals

A stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act for inclusion in the Company's proxy statement and form of Proxy for the 2010 annual meeting of stockholders must be received by the Company by December 23, 2009. Such a proposal must also comply with the requirements as to form and substance established by the SEC for such proposals. A stockholder otherwise desiring to bring a proposal before the 2010 annual meeting of stockholders (including generally any proposal relating to the nomination of a director to be elected to the Board of Directors) must comply with the then current advance notice and information requirements in the Company's Charter and Bylaws and deliver the proposal to the principal executive offices of the Company after March 7, 2010 and on or before April 6, 2010 (60 to 90 days prior to the first anniversary of this year's annual meeting) in order for such proposal to be considered timely. Any proposal nominating a director candidate must also comply with the requirements above under "Proposal 1. Election of Directors—The Board of Directors—Director Nominations by Stockholders." Any such proposal should be mailed to: Willdan Group, Inc., 2401 East Katella Avenue, Suite 300, Anaheim, California 92806, Attn: Secretary. Copies of the Charter and Bylaws may be obtained without charge by providing a written request to the Secretary of the Company at that address.

Officers, directors and greater than 10% stockholders are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such reports furnished to us, the following

officers, directors and greater than 10% stockholders failed to file certain reports required by Section 16(a) of the Exchange Act on a timely basis.

Mr. Renken had one late filing on Form 4 that did not timely report one transaction. Mr. Renken reported a December 1, 2008 purchase of our common stock on December 4, 2008.

Mr. Shelton had one late filing on Form 3 and one late filing on Form 4 that did not timely report one transaction. Mr. Shelton became a director on April 22, 2008 and he filed his Form 3 on June 20, 2008. Mr. Shelton also reported a June 10, 2008 grant of options to purchase our common stock on June 20, 2008.

Ms. Smith had one late filing on Form 4 that did not timely report one transaction. Ms. Smith reported a June 12, 2007 grant of options to purchase our common stock on April 29, 2008.

To our knowledge, based solely on our review of the copies of such reports furnished to us, all other Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were satisfied.
